SHORTHORN BREEDERS' ASSOCIATION

ANNUAL SHOW AND SALE

BOWLING GREEN, MISSOURI

SATURDAY, NOVEMBER 4, 1961

Findowrie Augustus

Some of the greatest bulls of the breed are in service in Pike County . . .

Their sons and daughters make up this sale offering . . .

Pictured above is Findowrie Augustus, imported sire purchased in the 1959 Leveldale sale for \$6,000 by Charles Harness & Son, Middletown, Mo. This bull was used extensively in the Mathers' herd before the sale. Six of his first sons and daughters are to sell in the 1961 Mathers' sale . . . and these include several of the top members of their 1961 show herd. The Harness consignment to the Pike County sale includes his first sons and daughters bred there, as well as females well forward in calf to him.

Great Shorthorn sires are not new to Pike County . . . they are a tradition. Down through the years, Pike County Shorthorn breeders have settled for nothing less than the best when it came to selecting herd sires. This sale is always loaded with good ones of royal breeding.

Show and Sale Classification

This show is co-sponsored by the Department of Agriculture and the Pike County Shorthorn Breeders' Association. The ribbon and cash awards provided by the State Department of Agriculture have been made possible through an appropriation by the Missouri Legislature. The funds have been appropriated to encourage the production, distribution and use of superior breeding animals in Missouri.

All animals will be placed and graded by a competent judge. Grade designation and distribution ribbon awards are as follows:

Grade A (Superior) — Blue Ribbon:

The animals would fit into any top purebred herds and flocks anywhere. They are correct in type, size, quality, breed character, etc.

Grade B (Good) Red Ribbon:

These animals are good enough to improve a large percentage of purebred and commercial herds.

Grade C (Medium) — White Ribbon:

These animals are average for the breed.

Grade D (Unclassified) — No Ribbon:

These animals are undesirable breeding animals.

Judge: Raymon Duer, Kickapoo Farms, Kenosha, Wisconsin

| | |
|----------|--------------|
| IOWA | SOUTH DAKOTA |
| COLORADO | MISSOURI |
| KANSAS | TENNESSEE |

We can combine purchases in these sales for shipment. If you need transportation to or from any of these sales contact Don Longley, 16 South Locust St., Aurora, Illinois.

Bo Wood Radcliffe. Grand champion bull, 1959 Pike County Show and Sale. Purchased by Kallal & Darr, Jerseyville, Illinois, for the record price on a bull in this sale of \$1,205.

Pike County . . . Famous For Shorthorns Since 1870

Pike County, Missouri, has been a top source for improving Shorthorn seed stock for more than ninety years. We are not certain as to the exact year this sale was established, because it is older than the breed magazine (which was established in 1917). We do know the Pike County Shorthorn sale was flourishing as far back as 50 years ago. If it is not the oldest Shorthorn sale in the nation . . . it is certainly the oldest sale of its kind . . . where a group of progressive breeders living within a 50 miles radius have joined together, year in, year out, in working towards common goals.

All you need to do is study the list of sires in this catalog. In almost every instance they were brought to Pike County at prices ranging from \$2,000 to \$7,000. Experienced breeders recognize the unusual opportunities offered in this sale . . . and that is why you will find them among the list of buyers every year.

Most Important Sale Series of the 1961 Fall Season
